Guntur Municipal Corporation

A. Notice of invitation

Guntur Municipal Corporation invites Request for Proposal (RFP) from interested parties to select a Contractor for '**Collection & transportation of Commercial & Institutional solid Waste**' in **Guntur Municipal Corporation Area**.

The Contractor (Successful Bidder) would be responsible for Collection & transportation of municipal solid waste in stream-wise manner from commercial and institutional waste generators in GMC area. The Successful Bidder will be selected through a competitive bidding process.

You are requested to submit your proposal in compliance with this Request for Proposal (RFP) document with an EMD as indicated in RFP schedule. **Your complete proposal should be submitted in duplicate (one original and one copy) on or before 16.00 Hrs on 11.09.2019** to Commissioner, **Guntur Municipal Corporation**.

The Successful Bidder will be selected in accordance with the evaluation criteria described in the RFP. If selected, your proposal would form the basis for future negotiations and ultimately a contract between Guntur Municipal Corporation and your organization.

For the purpose of providing any explanation or clarification on the RFP or on the Project, a **pre bid meeting** has been scheduled on **04.09.2019 from 10.30 Hrs.** in the office of Commissioner, **Guntur Municipal Corporation**.

Termination:

The department may terminate the contract if the contractor causes a fundamental breach of the contract.

Fundamental breaches of contract include, but shall not be limited to the following.

- a) The contractor when no stoppage of work is shown on the current program and the stoppage has not been authorized by the Guntur Municipal Corporation.
- b) The contractor is made bankrupt or goes into liquidation other than for a reconstruction or amalgamation.
- c) The Guntur Municipal Corporation gives Notice that failure to correct a particular Defect is a fundamental breach of Contract and the Contractor fails to correct it within a reasonable period of time determined by the Guntur Municipal Corporation; and
- d) The Contractor does not maintain a security which is required and

- e) The Contractor has delayed the completion of works by the number of days for which the maximum amount of liquidated damages can be paid as defined.
- f) If the contractor, in the judgement of the department has engaged in corrupt or fraudulent practices in competing for or in the executing the contract.

For the purpose of this paragraph: "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value of influence the action of public official in the procurement process or in contract execution. "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Government and includes collusive practice among Tenderers (prior to or after Tender submission) designed to establish tender prices at artificial non-competitive levels and to deprive the Government of the benefits of free and open competition.

B. Background:

Guntur Municipal Corporation has taken the initiative to improve Municipal Solid Waste Management (MSWM) in its area by involving private entrepreneurs and to decide to outsource Collection & transportation of municipal solid waste from commercial and institutional waste generators in Guntur city.

Accordingly, a council resolution was passed on 05-05-2015, with C.R. number 1460, to facilitate the process. As a first step a pilot project was undertaken in Zone 1, comprising about 21 wards, for collection of MSW from door-step of commercial and institutional waste generators. The pilot project is in its third month with about Rs 6.5 lakhs of demand being generated in a month.

The **Guntur Municipal Corporation** would now like to extend this successful pilot to the other areas of the city. For this purpose a “Request for Proposal” is being published through this document. This RFP will lead to a competitive open bid with two outcomes, as listed here –

1. To identify a Contractor to collect and transport commercial and institutional waste for Zones 2 and 3 of the city. The Contractor would be responsible for Collection & transportation wet and dry resource from all the commercial and institutional establishments in GMC every day and transport to the **Etukuru Dumping Yard**.

The Bidder with the highest aggregated score comprising both technical and financial proposals will be the ‘Successful Bidder’, who shall execute a ‘Contract’ with **Guntur Municipal Corporation** for the services as in Appendix 1.1 for a period of **Two years** initially and renewed further in phases on mutually agreed conditions with approval of the council. The current contractor for Zone 1 shall also enter into a contract with the same revenue sharing formula. The word ‘Contractor’ is construed accordingly in this RFP document.

C. The Request for Proposal (RFP) Documents may be obtained from the office of The Commissioner, Guntur Municipal Corporation.

Appendix-1.6: Evaluation and Marking System

Guidelines for Evaluating Technical Proposal:

(a) Technical Proposal

The technical proposals shall be opened and a comparative statement indicating the bidder's qualification against each of the set criteria shall be tabulated based on the documentary evidence submitted. The qualifying values will be based on the detailed proposal and justifications provided in the technical documentation submitted by the Bidder. The maximum and minimum values among the various Technical Bids received shall be identified for each of the criteria. The individual criteria scores for each Bidder shall be computed using the following formula.

$(\text{Bidder's Value} \div \text{Maximum Value}) \times \text{Total Marks for respective criteria}$

The individual marks for all the criteria shall be added to obtain the Aggregate Marks. The Bidders shall be ranked in the descending order of Aggregate Technical Marks. The Details of criteria to be evaluated in Section A: Technical details and B. Past Experience

Section i) :Technical details

Sl. No	Criteria	Total marks
1	Strategy of ' Commercial & Institutional Waste Collection & transportation in Guntur Municipal Corporation Area '	30
2	Approach and Methodology and understanding of project plan	30

Section ii) : Past Experience.

SI No.	Criteria	Evaluation Measure	Total Marks
1	Experience in operation and management of MSW / solid waste	No of projects by the Bidder in last three financial years. (10 marks for every project)	40
Total Marks (section i and section ii)			100

(b) Financial Proposal:

Only the Financial Bids of those Bidders who have obtained a minimum eligibility of 60% (Qualified Bidders) in the Technical Proposal shall be opened.

The Financial Bids of the Qualified Bidders shall be tabulated in the descending order (H1, H2, H3,...). The Qualified Bidder quoting the highest amount * (H1) to GMC shall be declared as Preferred Bidder and would be chosen for negotiations leading to award of Contract.

The highest price amongst the Qualified Bidders would be given full Marks of 100. Other Qualified Bidders' financial marks would be computed as follows
Financial Marks = $(100 \times H2 \text{ or } H3 \text{ or } H4) / H1$ in lakhs.

Weighted Technical score = $60\% \times \text{Aggregate Technical Marks}$

Weighted Financial Score = $40\% \times \text{Financial Marks}$

Final Score = Weighted Technical Score + Weighted Financial Score

Final Grading: The Final Scores for each Qualified Bidder would be tabulated in descending order. The Successful Bidder with highest Final Score would be chosen for negotiations leading to award of Contract.
